### **INVITATION TO BID #3568-12 ADDENDUM NO. 1 FIRE DEPARTMENT TURNOUTS**

May 24, 2012

1. Please note the following changes to Invitation to Bid #3568-12. All changes shall be incorporated in and become part of the respective bid.

---

#### **Page 6, 1. Delete original "Scope". Change to read:**

##### **1. Scope:**

This specification sets forth the requirements for Structural Firefighting Protective Ensemble (Jackets and Trousers) intended for use in structural firefighting by San Luis Obispo County Fire Department (County Fire) personnel. All garments shall meet NFPA 1971, 2007 (or latest edition).

This specification is based on State of California Solicitation 1109-018, Structural Firefighting Protective Ensemble (Jackets & Trousers). It has been changed to meet the needs of the department, and significant changes have been noted in this specification. Changes made should not in any way reduce the functionality or thermal and moisture barrier characteristics of the original State of California solicitation. If the vendor finds that to be the case, the department must be notified immediately.

It is the department's intent to purchase a minimum of sixty (60) ensembles (jackets and trousers) per fiscal year, beginning this fiscal year (FY 11-12, 7/1/11-6/30/12) and continuing for four (4) subsequent fiscal years. Funds are available for purchases this fiscal year, however purchases in subsequent fiscal years will be dependent upon funds availability.

#### **Page 10, 3.5.14, Radio Pocket, Change section to read:**

Each jacket shall have a pocket designed for the storage of a portable radio. This pocket shall be of box type construction, double stitched to the coat, and shall have one drainage eyelet in the bottom of the pocket. The pocket flap shall be constructed of two layers of outer shell material measuring approximately 5 inches deep and ¼ inch wider than the pocket. The pocket flap shall be closed by means of flame resistant hook and loop fastener tape. A minimum 1½ inch by 3 inch piece of FR hook fastener tape shall be installed vertically on the inside of the pocket flap beginning at the center of the bottom of the flap. A minimum 1½ inch by 3 inch piece of FR loop fastener tape shall be

**ADDENDUM No. 1**

installed horizontally on the outside of the pocket near the top center and positioned to engage the hook fastener tape. **The pocket flap shall be “notched” on both sides so as to allow for the passage of a radio antenna, regardless of which side the antenna is on.** In addition, the entire inside of the pocket shall be lined with neoprene coated cotton/polyester moisture barrier material to ensure that the radio is protected from the elements. The moisture barrier material shall also be sandwiched between the two layers of outer shell material in the pocket flap. The radio pocket shall measure approximately 2 inches deep by 4 inches wide by 9 inches high and shall be installed on the left chest.

**Page 18, Administrative Requirements. Item 1, line 6: Change to read:**

Be Web Based allowing input from every County Fire facility utilizing internet capable computer systems.

**Page 18, Item 2, Change to read:**

Training shall be provided by a factory certified or trained representative. Contractor shall provide a detailed lesson plan that addresses the capabilities, limitations and special features of the garment. In addition, the selected vendor shall provide training on NFPA 1851, including conducting Routine Cleaning, Advance Cleaning, Routine Inspection, and Advance Inspection, for selected members of County Fire. The selected vendor shall provide ON SITE / ANNUAL Training annually for County Fire.

**Page 18, Item 3, Warranty Repairs, Change to read:**

**Warranty Repairs**

Warranty repairs shall be provided according to NFPA 1851, current edition, Verified Independent Service Provider. Provider shall have a minimum of one repair facility located in Southern California.

Pick up and return of warranty repairs shall be at NO CHARGE. Warranty repairs shall be picked up and returned within 5 business days of written or verbal notification by County Fire.

Supplier must inform County Fire staff of a direct contact for warranty repairs to include, name, telephone number, fax number, and address.

**Page 19, Item 4, Line 6, Change to read:**

Name and address of repair facility.

**Page 19, Item 6, Post award Sample Submission, Change to read:**

**FIRE DEPARTMENT TURNOUTS**

**ADDENDUM No. 1**

Upon request, after notification of award, the successful bidder shall submit one each size of jacket and trouser, including both male and female sizes. The sample shall be exactly as bid, the same as those that will be produced for the order, shall satisfy all requirements of this specification, and shall be supplied at no expense to the County.

**Page 19, Item 9, Garment Delivery Requirements, Change to Read:**

All garments will be delivered to:

San Luis Obispo County Fire Department  
635 N. Santa Rosa  
San Luis Obispo, CA 93405

NOTE: This location is NOT in the City of San Luis Obispo, and the current sales tax rate is 7.25 %.

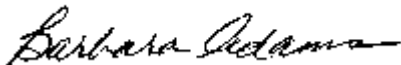

**Page 19, Item 11, Option to Increase/Decrease Quantities, Change to Read:**

It is County Fire's intent to annually purchase the quantities outlined in Section 1 above, titled "Scope". Prices included in the bid submittal shall be valid for a period of twenty four (24) months from the closing date of the bid, and shall be valid for quantities up to two times those outlined in Section 1.

Change Lines 1,3, and 5 Quantities to be 60 each.

- 
2. In order that all interested bidders may consider these changes, Invitation to Bid #3568-12 originally scheduled to be opened on June 12, 2012 is now amended to be scheduled to be opened at 3:00 p.m., on June 19, 2012. Any bidder who has already forwarded his bid and desires to make corrections or changes may request his bid be returned to him. If corrections are made, a new or revised bid must be received at GSA Purchasing, 1087 Santa Rosa Street, San Luis Obispo, California, 93408, by the TIME AND HOUR STATED IN THIS PARAGRAPH.
  3. All other specifications, provisions, and conditions remain unchanged.
